

BASF

We create chemistry

Limus[®] Perform

Urease inhibitor for all urea containing liquid mineral fertiliser.

Contains: N-butylphosphorothioic triamide (NBPT), N-propylphosphorothioic triamide (NPPT), 2,2'-oxybisethanol.

Safety Information

Warning

Causes serious eye irritation.
Causes skin irritation.
Suspected of damaging fertility.

Wear protective gloves, protective clothing and eye protection or face protection.

Obtain special instructions before use.

If medical advice is needed, have product container or label at hand.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Store locked up.

Dispose of contents/container to a licensed hazardous waste disposal contractor or collection site except for triple rinsed empty containers which can be disposed of as non-hazardous waste.

To avoid risks to human health and the environment, comply with the instructions for use.

DIRECTIONS FOR USE

IMPORTANT: All instructions within this section must be read carefully in order to obtain safe and successful use of this product.

Limus® Perform is a urease inhibitor for all urea containing liquid mineral fertiliser. **Limus® Perform** reduces nitrogen losses from volatilisation of urea fertilisers and thus improves nitrogen use efficiency. Limus Perform is applied as tank mix with urea containing liquid mineral fertilisers.

The (COSHH) Control of Substances Hazardous to Health Regulations may apply to the use of this product at work (UK only).

Application instructions for tank mix:

1. Wear proper personal protection including eye protection and chemical-resistant gloves.
2. Use only under adequate ventilation with large volumes of air movement. If ventilation is inadequate, respiratory protection is required.
3. Fill spray tank with half the desired amount of fertiliser
4. Add the full rate of Limus Perform and mix thoroughly.
5. Continue mixing while adding remaining fertiliser
6. Tank mix shall be used within 5 days.

Limus® Perform can be used in all crops at any fertilization timing. However any damage caused the application of urea-containing fertilisers will not be undone by the addition of Limus Perform.

Dose Rate:

- 1.0 L / 1000 L UAN

Storage:

Store this product in tightly closed original container in a well-ventilated place. Avoid contact with water and store at temperatures between -10° and 40° Celsius. Long exposures to temperatures below -10°C will cause the product to freeze and require thawing before use. Avoid high temperatures. Long term storage at temperatures above 40°C may cause the product to degrade.

In case of doubt or question please contact BASF technical service before using the product. Tel: 00 44 (0)845 602 2553

Trademarks

Limus is a registered trademark of BASF.

Warning:

All the information and recommendation given in this label are the result of rigorous studies and trials.

Numerous, particularly regional or regionally attributable, factors can influence the activity of the product. Examples include weather and soil conditions, crop plant varieties, crop rotation, treatment times, application amounts, admixture with other

products, appearance of organisms resistant to active ingredients and spraying techniques. Under particular conditions a change in activity or damage to plants cannot be ruled out. The manufacturer or supplier is therefore unable to accept any liability in such circumstances. All goods supplied by us are of high grade and we believe them to be suitable, but as we cannot exercise control over their mixing or use or the weather conditions during and after application, which may affect the performance of the material, all conditions and warranties, statutory or otherwise, as to the quality or fitness for any purpose of our goods are excluded and no responsibility will be accepted by us for any damage or injury whatsoever arising from their storage, handling, application or use; but nothing should be deemed to exclude or restrict any liability upon us which cannot be excluded or restricted under the provisions of any applicable law.
